## **Notice of Intent to Amend the Delaware DDC's Current Strategic Plan 45-Day Public Comment Period Open June 1, 2020-July 15, 2020**

By vote of the full Council, and with the approval of our federal granting agency, the Administration on Community Living, the Council proposes to amend its current Five-Year Strategic Plan by removing the following goal:

“Maximize the potential of persons with developmental disabilities through the provision of vocational and life skills training from early childhood through adulthood for persons with disabilities living in poverty.”

Reason for proposed removal: The goal is and its objectives are being addressed by other activities and projects in the Council's current Five-Year Strategic Plan.

Members of the public who wish to comment on the proposed amendment to the DDC's current Five-Year Strategic Plan can do so by email, mail, by fax or by phone no later than July 15, 2020 by 4:30 PM (ET). Please address any comments to the following:
